

(Apr. 9, 1912, ch. 73, §2, 37 Stat. 79; Mar. 4, 1913, ch. 141, §§3, 6, 37 Stat. 737, 738; 1946 Reorg. Plan No. 2, §1, eff. July 16, 1946, 11 F.R. 7873, 60 Stat. 1095; 1953 Reorg. Plan No. 1, §§5, 8, eff. Apr. 11, 1953, 18 F.R. 2053, 67 Stat. 631; Pub. L. 96-88, title V, §509(b), Oct. 17, 1979, 93 Stat. 695.)

CODIFICATION

In the first sentence of this section, provisions which specified an annual compensation of \$5,000 for the chief of the Childrens Bureau have been omitted superseded. Following enactment of the Classification Act of 1923, the compensation was fixed in accordance with that Act. See act Feb. 27, 1925, title IV, 43 Stat. 1050. Sections 1202 and 1204 of the Classification Act of 1949, 63 Stat. 972, 973, repealed the Classification Act of 1923 and all other laws or parts of laws inconsistent with the 1949 Act. The Classification Act of 1949 was repealed by Pub. L. 89-554, Sept. 6, 1966, §8(a), 80 Stat. 632, and reenacted as chapter 51 and subchapter III of chapter 53 of Title 5, Government Organization and Employees. Section 5102 of Title 5 now contains the applicability provisions of the 1949 Act, and section 5103 of Title 5 authorizes the Office of Personnel Management to determine the applicability to specific positions and employees.

Section was formerly classified to section 18a of Title 29, Labor.

TRANSFER OF FUNCTIONS

Functions of Federal Security Administrator transferred to Secretary of Health, Education, and Welfare and all agencies of Federal Security Agency transferred to Department of Health, Education, and Welfare by section 5 of Reorg. Plan No. 1 of 1953, set out as a note under section 3501 of this title. Federal Security Agency and office of Administrator abolished by section 8 of Reorg. Plan No. 1 of 1953. Secretary and Department of Health, Education, and Welfare redesignated Secretary and Department of Health and Human Services by section 509(b) of Pub. L. 96-88 which is classified to section 3508(b) of Title 20, Education.

“Federal Security Administrator” substituted for “said department” and for “Secretary of Labor” pursuant to Reorg. Plan No. 2 of 1946. See note set out under section 191 of this title.

“Secretary of Labor” substituted for “Secretary of Commerce and Labor” pursuant to act Mar. 4, 1913. See note set out under section 191 of this title.

§ 193. Assistant chief

There shall be in the Children’s Bureau, until otherwise provided for by law, an assistant chief, to be appointed by the Secretary of Health and Human Services.

(Apr. 9, 1912, ch. 73, §3, 37 Stat. 80; Mar. 4, 1913, ch. 141, §§3, 6, 37 Stat. 737, 738; 1946 Reorg. Plan No. 2, §1, eff. July 16, 1946, 11 F.R. 7873, 60 Stat. 1095; 1953 Reorg. Plan No. 1, §§5, 8, eff. Apr. 11, 1953, 18 F.R. 2053, 67 Stat. 631; Pub. L. 96-88, title V, §509(b), Oct. 17, 1979, 93 Stat. 695.)

CODIFICATION

Section 3 of act Apr. 9, 1912, also provided for compensation of assistant chief and for appointment and compensation of other employees of the bureau.

Section was formerly classified to section 18b of Title 29, Labor.

TRANSFER OF FUNCTIONS

Functions of Federal Security Administrator transferred to Secretary of Health, Education, and Welfare and all agencies of Federal Security Agency transferred to Department of Health, Education, and Welfare by section 5 of Reorg. Plan No. 1 of 1953, set out in as a note under section 3501 of this title. Federal Security Agency and office of Administrator abolished by sec-

tion 8 of Reorg. Plan No. 1 of 1953. Secretary and Department of Health, Education, and Welfare redesignated Secretary and Department of Health and Human Services by section 509(b) of Pub. L. 96-88 which is classified to section 3508(b) of Title 20, Education.

“Federal Security Administrator” substituted for “Secretary of Labor” pursuant to Reorg. Plan No. 2 of 1946. See note set out under section 191 of this title.

“Secretary of Labor” substituted for “Secretary of Commerce and Labor” pursuant to act Mar. 4, 1913. See note set out under section 191 of this title.

§ 194. Quarters for bureau

The Secretary of Health and Human Services is directed to furnish sufficient quarters for the work of this bureau at an annual rental not to exceed \$2,000.

(Apr. 9, 1912, ch. 73, §4, 37 Stat. 80; Mar. 4, 1913, ch. 141, §3, 37 Stat. 737; 1946 Reorg. Plan No. 2, §1, eff. July 16, 1946, 11 F.R. 7873, 60 Stat. 1095; 1953 Reorg. Plan No. 1, §§5, 8, eff. Apr. 11, 1953, 18 F.R. 2053, 67 Stat. 631; Pub. L. 96-88, title V, §509(b), Oct. 17, 1979, 93 Stat. 695.)

CODIFICATION

Section was formerly classified to section 18c of Title 29, Labor.

TRANSFER OF FUNCTIONS

Functions of Federal Security Administrator transferred to Secretary of Health, Education, and Welfare and all agencies of Federal Security Agency transferred to Department of Health, Education, and Welfare by section 5 of Reorg. Plan No. 1 of 1953, set out as a note under section 3501 of this title. Federal Security Agency and office of Administrator abolished by section 8 of Reorg. Plan No. 1 of 1953. Secretary and Department of Health, Education, and Welfare redesignated Secretary and Department of Health and Human Services by section 509(b) of Pub. L. 96-88 which is classified to section 3508(b) of Title 20, Education.

“Federal Security Administrator” substituted for “Secretary of Labor” pursuant to Reorg. Plan No. 2 of 1946. See note set out under section 191 of this title.

“Secretary of Labor” substituted for “Secretary of Commerce and Labor” pursuant to act Mar. 4, 1913. See note set out under section 191 of this title.

CHAPTER 6A—PUBLIC HEALTH SERVICE

SUBCHAPTER I—ADMINISTRATION AND MISCELLANEOUS PROVISIONS

Sec.

254c-8.	Healthy start for infants. (a) In general. (b) Requirements for making grants. (c) Coordination. (d) Rule of construction. (e) Additional services for at-risk pregnant women and infants. (f) Funding.		(b) Recruitment and fellowship programs. (c) Travel and moving expenses; persons entitled; reimbursement; limitation. (d) Monthly pay adjustments of members directly engaged in delivery of health services in health professional shortage area; "monthly pay" defined; monthly pay adjustment of member with service obligation incurred under Scholarship Program or Loan Repayment Program; personnel system applicable.
254c-9.	Establishment of program of grants. (a) In general. (b) Recipients of grants. (c) Certain activities. (d) Integration with other programs.		(e) Employment ceiling of Department not affected by Corps members. (f) Assignment of personnel provisions inapplicable to members whose service obligation incurred under Scholarship Program or Loan Repayment Program. (g) Conversion from Corps member to commissioned officer; retirement credits. (h) Effective administration of program. (i) Demonstration projects; waivers.
254c-10.	Certain requirements.		(j) Definitions.
254c-11.	Technical assistance.	254e.	Health professional shortage areas. (a) Designation by Secretary; removal from areas designated; "medical facility" defined. (b) Criteria for designation of health professional shortage areas; promulgation of regulations. (c) Considerations in determination of designation. (d) Designation; publication of descriptive lists. (e) Notice of proposed designation of areas and facilities; time for comment. (f) Notice of designation. (g) Recommendations to Secretary. (h) Public information programs in designated areas. (i) Dissemination. (j) Regulations and report.
254c-12.	Definitions.		Corps personnel. (a) Conditions necessary for assignment of Corps personnel to area; contents of application for assignment; assignment to particular facility; approval of applications. (b) Corps member income assurances; grants respecting sufficiency of financial resources. (c) Assignment of members without regard to ability of area to pay for services. (d) Entities entitled to aid; forms of assistance; coordination of efforts; agreements for assignment of Corps members; qualified entity. (e) Practice within State by Corps member.
254c-13.	Authorization of appropriations.		
254c-14.	Telehealth network and telehealth resource centers grant programs. (a) Definitions. (b) Programs. (c) Administration. (d) Grants. (e) Grant periods. (f) Eligible entities. (g) Applications. (h) Terms; conditions; maximum amount of assistance. (i) Preferences. (j) Distribution of funds. (k) Use of funds. (l) Prohibited uses of funds. (m) Collaboration. (n) Coordination with other agencies. (o) Outreach activities. (p) Telehealth. (q) Report. (r) Regulations. (s) Authorization of appropriations.		
254c-15.	Rural emergency medical service training and equipment assistance program. (a) Grants. (b) Eligibility. (c) Use of funds. (d) Preference. (e) Matching requirement. (f) Emergency medical services. (g) Authorization of appropriations.	254f.	
254c-16.	Mental health services delivered via telehealth. (a) Definitions. (b) Program authorized. (c) Use of funds. (d) Equitable distribution. (e) Application. (f) Report. (g) Authorization of appropriations.		
254c-17.	Repealed.		
254c-18.	Telemedicine; incentive grants regarding coordination among States. (a) In general. (b) Authorization of appropriations.		
SUBPART II—NATIONAL HEALTH SERVICE CORPS PROGRAM			
254d.	National Health Service Corps.		

Sec.		Sec.	
254f-1.	Priorities in assignment of Corps personnel.		(g) Scholarship provisions; contract with educational institution; increase in monthly stipend.
	(a) In general.		(h) Employment ceiling of Department unaffected.
	(b) Establishment of criteria for determining priorities.	254l-1.	National Health Service Corps Loan Repayment Program.
	(c) Notifications regarding priorities.		(a) Establishment.
	(d) Limitation on number of entities offered as assignment choices in Scholarship Program.		(b) Eligibility.
254g.	Charges for services by entities using Corps members.		(c) Information to be included with application and contract forms; understandability; availability.
	(a) Availability of services regardless of ability to pay or payment source.		(d) Factors considered in providing contracts; priorities.
	(b) Charges for services.		(e) Approval required for participation.
254h.	Provision of health services by Corps members.		(f) Contents of contracts.
	(a) Means of delivery of services; cooperation with other health care providers.		(g) Payments.
	(b) Utilization of existing health facilities; lease, acquisition, and use of equipment and supplies; permanent and temporary professional services.	254m.	(h) Employment ceiling.
	(c) Loan; purposes; limitations.		Obligated service under contract.
	(d) Property and equipment disposal; fair market value; sale at less than full market value.		(a) Service in full-time clinical practice.
	(e) Admitting privileges denied to Corps member by hospital; notice and hearing; denial of Federal funds for violation; "hospital" defined.		(b) Notice to individual; information for informed decision; eligibility; notice to Secretary; qualification and appointment as commissioned officer; appointment as civilian member; designation of non-United States employee as member; deferment of obligated service.
254h-1.	Facilitation of effective provision of Corps services.		(c) Obligated service period; commencement.
	(a) Consideration of individual characteristics of members in making assignments.	254n.	(d) Assignment of personnel.
	(b) Counseling on service in Corps.		Private practice.
	(c) Grants regarding preparation of students for practice.		(a) Application for release of obligations; conditions.
	(d) Assistance in establishing local professional relationships.		(b) Written agreement; actions to ensure compliance.
	(e) Temporary relief from Corps duties.		(c) Breach of service contract.
	(f) Determinations regarding effective service.	254o.	(d) Travel expenses.
254i.	Annual report to Congress; contents.		(e) Sale of equipment and supplies.
254j.	National Advisory Council on National Health Service Corps.		(f) Malpractice insurance.
	(a) Establishment; appointment of members.		(g) Technical assistance.
	(b) Term of members; compensation; expenses.		Breach of scholarship contract or loan repayment contract.
	(c) Termination.		(a) Failure to maintain academic standing; dismissal from institution; voluntary termination; liability; failure to accept payment.
254k.	Authorization of appropriations.		(b) Failure to commence or complete service obligations; formula to determine liability; payment to United States; recovery of delinquent damages; disclosure to credit reporting agencies.
SUBPART III—SCHOLARSHIP PROGRAM AND LOAN REPAYMENT PROGRAM			(c) Failure to commence or complete service obligations for other reasons; determination of liability; payment to United States; waiver of recovery for extreme hardship or good cause shown.
254l.	National Health Service Corps Scholarship Program.		(d) Cancellation of obligation upon death of individual; waiver or suspension of obligation for impossibility, hardship, or unconscionability; release of debt by discharge in bankruptcy, time limitations.
	(a) Establishment.		(e) Inapplicability of Federal and State statute of limitations on actions for collection.
	(b) Eligibility; application; written contract.		
	(c) Review and evaluation of information and forms by prospective applicant.		
	(d) Factors considered in providing contracts; priorities.		
	(e) Commencement of participation in Scholarship Program; notice.		
	(f) Written contract; contents.

269.	Bills of health.		(c) Recruitment; priorities; information and education.
	(a) Detail of medical officer; conditions precedent to issuance; consular officer to receive fees.		(d) Patient advocacy; case management.
	(b) Collectors of customs to receive originals; duplicate copies as part of ship's papers.		(e) Criteria, standards, and procedures.
	(c) Regulations to secure sanitary conditions of vessels.		(f) Comment procedures.
	(d) Vessels from ports near frontier.		(g) Consultation.
	(e) Compliance with regulations.		(h) Application.
270.	Quarantine regulations governing civil air navigation and civil aircraft.		(i) Eligibility.
271.	Penalties for violation of quarantine laws.		(j) Records.
	(a) Penalties for persons violating quarantine laws.		(k) Penalties for disclosure.
	(b) Penalties for vessels violating quarantine laws.	274l.	(l) Annual report regarding pre-transplant costs.
	(c) Remittance or mitigation of forfeitures.		Bone marrow scientific registry.
272.	Administration of oaths by quarantine officers.		(a) Establishment of recipient registry.
	PART H—ORGAN TRANSPLANTS		(b) Information.
273.	Organ procurement organizations.	274m.	(c) Annual report on patient outcomes.
	(a) Grant authority of Secretary.	275 to 280a-1.	Authorization of appropriations.
	(b) Qualified organizations.		Repealed.
274.	Organ procurement and transplantation network.		PART J—PREVENTION AND CONTROL OF INJURIES
	(a) Contract authority of Secretary; limitation; available appropriations.	280b.	Research.
	(b) Functions.	280b-1.	Prevention and control activities.
	(c) Consideration of critical comments.	280b-1a.	Interpersonal violence within families and among acquaintances.
274a.	Scientific registry.	280b-1b.	Prevention of traumatic brain injury.
274b.	General provisions respecting grants and contracts.		(a) In general.
	(a) Application requirement.		(b) Certain activities.
	(b) Special considerations and priority; planning and establishment grants.		(c) Coordination of activities.
	(c) Determination of grant amount; terms of payment; record-keeping; access for purposes of audits and examination of records.		(d) "Traumatic brain injury" defined.
	(d) "Transplant center" and "organ" defined.	280b-1c.	Use of allotments for rape prevention education.
274c.	Administration.		(a) Permitted use.
274d.	Report.	280b-1d.	(b) Collection and dissemination of information on sexual assault.
274e.	Prohibition of organ purchases.	280b-2.	(c) Authorization of appropriations.
	(a) Prohibition.		(d) Limitations.
	(b) Penalties.		National program for traumatic brain injury registries.
			General provisions.
			(a) Advisory committee.
			(b) Technical assistance.
			(c) Biennial report.
		280b-3.	Authorization of appropriations.
			PART K—HEALTH CARE SERVICES IN THE HOME
			SUBPART I—GRANTS FOR DEMONSTRATION PROJECTS
		280c.	Establishment of program.
			(a) In general.
			(b) Requirement with respect to age of recipients of services.
			(c) Relationship to items and services under other programs.
		280c-1.	Limitation on duration of grant and requirement of matching funds.
			(a) Limitation on duration of grant.
			(b) Requirement of matching funds.

Sec.		Sec.	
	(c) Determination of amount of non-Federal contribution.		(c) Eligibility for grants.
280c-2.	General provisions.		(d) Relationship to certain programs.
	(a) Limitation on administrative expenses.		(e) Requirement regarding certain study on breast cancer.
	(b) Description of intended use of grant.	280e-1.	Planning grants regarding registries.
	(c) Requirement of application.		(a) In general.
	(d) Evaluations and report by Secretary.	280e-2.	Technical assistance in operations of statewide cancer registries.
	(e) Authorizations of appropriations.	280e-3.	Study in certain States to determine factors contributing to elevated breast cancer mortality rates.
	SUBPART II—GRANTS FOR DEMONSTRATION PROJECTS WITH RESPECT TO ALZHEIMER'S DISEASE		(a) In general.
280c-3.	Establishment of program.		(b) Relevant States.
	(a) In general.		(c) Cooperation of State.
	(b) Requirement with respect to certain expenditures.		(d) Planning, commencement, and duration.
	(c) Relationship to items and services under other programs.	280e-4.	(e) Report.
280c-4.	Requirement of matching funds.		Authorization of appropriations.
	(a) Requirement of matching funds.		(a) Registries.
	(b) Determination of amount of non-Federal contribution.		(b) Breast cancer study.
280c-5.	General provisions.	PART N—NATIONAL FOUNDATION FOR THE CENTERS FOR DISEASE CONTROL AND PREVENTION	
	(a) Limitation on administrative expenses.	280e-11.	Establishment and duties of Foundation.
	(b) Description of intended use of grant.		(a) In general.
	(c) Requirement of application.		(b) Purpose of Foundation.
	(d) Evaluations and report by Secretary.		(c) Endowment fund.
	(e) Authorizations of appropriations.		(d) Certain activities of Foundation.
	SUBPART III—GRANTS FOR HOME VISITING SERVICES FOR AT-RISK FAMILIES		(e) General structure of Foundation; nonprofit status.
280c-6.	Projects to improve maternal, infant, and child health.		(f) Board of directors.
	(a) In general.		(g) Certain responsibilities of executive director.
	(b) Home visiting services for eligible families.		(h) General provisions.
	(c) Considerations in making grants.		(i) Federal funding.
	(d) Federal share.		(j) Committee for establishment of Foundation.
	(e) Rule of construction regarding at-risk births.	PART O—FETAL ALCOHOL SYNDROME PREVENTION AND SERVICES PROGRAM	
	(f) Delivery of services and case management.	280f.	Establishment of Fetal Alcohol Syndrome prevention and services program.
	(g) Outreach.		(a) Fetal Alcohol Syndrome prevention, intervention, and services delivery program.
	(h) Confidentiality.		(b) Grants and technical assistance.
	(i) Certain assurances.		(c) Dissemination of criteria.
	(j) Submission to Secretary of certain information.	280f-1.	(d) National Task Force.
	(k) Limitation regarding administrative expenses.	280f-2.	Eligibility.
	(l) Restrictions on use of grant.		Authorization of appropriations.
	(m) Reports to Secretary.		(a) In general.
	(n) Requirement of application.	280f-3.	(b) Task Force.
	(o) Peer review.		Sunset provision.
	(p) Evaluations.	PART P—ADDITIONAL PROGRAMS	
	(q) Definitions.	280g.	Children's asthma treatment grants program.
	(r) Authorization of appropriations.		(a) Authority to make grants.
	PART L—[REPEALED]		(b) Coordination with other children's programs.
280d.	Transferred.		(c) Evaluation.
280d-11.	Transferred.	280g-1.	(d) Authorization of appropriations.
	PART M—NATIONAL PROGRAM OF CANCER REGISTRIES		Early detection, diagnosis, and treatment regarding hearing loss in infants.
280e.	National program of cancer registries.		(a) Statewide newborn and infant hearing screening, evaluation and intervention programs and systems.
	(a) In general.		
	(b) Matching funds.		

Sec.		Sec.	
	(b) Technical assistance, data management, and applied research.		(h) Increased participation of women and disadvantaged individuals in biomedical and behavioral research.
	(c) Coordination and collaboration.		(i) Discretionary fund; uses; report to Congressional committees; authorization of appropriations.
	(d) Rule of construction; religious accommodation.		(j) Data bank of information on clinical trials for drugs for serious or life-threatening diseases and conditions.
	(e) Definitions.		(k) Day care for children of employees.
	(f) Authorization of appropriations.		(l) Interagency research on trauma.
280g-2.	Childhood malignancies.		
	(a) In general.	283.	Biennial report of Director to President and Congress; contents.
	(b) Certain activities.	283a.	Establishment of program regarding DES.
	(c) Coordination of activities.		(a) In general.
	(d) Definition.		(b) Education programs.
	(e) Authorization of appropriations.		(c) Longitudinal studies.
			(d) Exposure to DES in utero.
			(e) Authorization of appropriations.
	PART Q—PROGRAMS TO IMPROVE THE HEALTH OF CHILDREN	283b.	Repealed.
280h.	Grants to promote childhood nutrition and physical activity.	283c.	Office of Behavioral and Social Sciences Research.
	(a) In general.	283d.	Children's Vaccine Initiative.
	(b) Eligibility.		(a) Development of new vaccines.
	(c) Use of funds.		(b) Report.
	(d) Technical assistance.		(c) Authorization of appropriations.
	(e) Limitation on administrative costs.	283e.	Plan for use of animals in research.
	(f) Term.		(a) Preparation.
	(g) Definition.		(b) Submission to Congressional committees.
	(h) Authorization of appropriations.		(c) Periodic review and revision.
280h-1.	Applied research program.		(d) Dissemination of information.
	(a) In general.		(e) Interagency Coordinating Committee on the Use of Animals in Research.
	(b) Authorization of appropriations.	283f.	Requirements regarding surveys of sexual behavior.
280h-2.	Education campaign.	283g.	Muscular dystrophy; initiative through Director of National Institutes of Health.
	(a) In general.		(a) Expansion, intensification, and coordination of activities.
	(b) Authorization of appropriations.		(b) Centers of excellence.
280h-3.	Health professional education and training.		(c) Facilitation of research.
	(a) In general.		(d) Coordinating Committee.
	(b) Authorization of appropriations.		(e) Plan for HHS activities.
			(f) Reports to Congress.
			(g) Public input.
			(h) Authorization of appropriations.
	SUBCHAPTER III—NATIONAL RESEARCH INSTITUTES	283h.	Office of Rare Diseases.
	PART A—NATIONAL INSTITUTES OF HEALTH		(a) Establishment.
281.	Organization of National Institutes of Health.		(b) Duties.
	(a) Agency of Public Health Service.		(c) Definition.
	(b) Agencies within.		(d) Authorization of appropriations.
	(c) Establishment of additional national research institutes; reorganization or abolition of institutes.	283i.	Rare disease regional centers of excellence.
	(d) "National research institute" defined.		(a) Cooperative agreements and grants.
282.	Director of National Institutes of Health.		(b) Coordination with other institutes.
	(a) Appointment.		(c) Uses for Federal payments under cooperative agreements or grants.
	(b) Duties and authority.		(d) Period of support; additional periods.
	(c) Availability of substances and organisms for research.		
	(d) Services of experts or consultants; number; payment of expenses, conditions, recovery.		
	(e) Dissemination of research information.		
	(f) Associate Director for Prevention; functions.		
	(g) Enhancing competitiveness of certain entities in obtaining research funds.		

Sec.	(e) Authorization of appropriations.	Sec.	(b) Coordinating Committee. (c) Plan for NIH activities. (d) Reports to Congress. (e) Authorization of appropriations.
PART B—GENERAL PROVISIONS RESPECTING NATIONAL RESEARCH INSTITUTES			
284.	Directors of national research institutes. (a) Appointment. (b) Duties and authority; grants, contracts, and cooperative agreements. (c) Coordination with other public and private entities; cooperation with other national research institutes; appointment of additional peer review groups.	284j.	Muscular dystrophy research. (a) Coordination of activities. (b) Administration of program; collaboration among agencies. (c) Authorization of appropriations.
284a.	Advisory councils. (a) Establishment; acceptance of conditional gifts; functions. (b) Membership; compensation. (c) Term of office; reappointment; vacancy. (d) Chairman; term of office. (e) Meetings. (f) Appointment of executive secretary; training and orientation for new members. (g) Comments and recommendations for inclusion in biennial report; additional reports. (h) Advisory councils in existence; application of section to National Cancer Advisory Board and advisory council to National Heart, Lung, and Blood Institute.	284k.	Clinical research. (a) In general. (b) Requirements. (c) Support for the diverse needs of clinical research. (d) Peer review.
284b.	Biennial report.	284l.	Enhancement awards. (a) Mentored Patient-Oriented Research Career Development Awards. (b) Mid-Career Investigator Awards in Patient-Oriented Research. (c) Graduate Training in Clinical Investigation Award. (d) Clinical Research Curriculum Awards.
284c.	Certain uses of funds.	284m.	Program for pediatric studies of drugs. (a) List of drugs for which pediatric studies are needed. (b) Contracts for pediatric studies. (c) Process for contracts and labeling changes. (d) Authorization of appropriations.
284d.	Definitions. (a) Health service research. (b) Clinical research.	PART C—SPECIFIC PROVISIONS RESPECTING NATIONAL RESEARCH INSTITUTES	
284e.	Research on osteoporosis, Paget's disease, and related bone disorders. (a) Establishment. (b) Coordination. (c) Information clearinghouse. (d) Authorization of appropriations.	SUBPART 1—NATIONAL CANCER INSTITUTE	
284f.	Parkinson's disease. (a) In general. (b) Inter-institute coordination. (c) Morris K. Udall research centers. (d) Morris K. Udall Awards for Excellence in Parkinson's Disease Research. (e) Authorization of appropriations.	285.	Purpose of Institute.
284g.	Expansion, intensification, and coordination of activities of National Institutes of Health with respect to research on autism. (a) In general. (b) Centers of excellence. (c) Facilitation of research. (d) Public input. (e) Funding.	285a.	National Cancer Program.
284h.	Pediatric Research Initiative. (a) Establishment. (b) Purpose. (c) Duties. (d) Authorization. (e) Transfer of funds.	285a-1.	Cancer control programs.
284i.	Autoimmune diseases. (a) Expansion, intensification, and coordination of activities.	285a-2.	Special authorities of Director. (a) Information and education program. (b) National Cancer Program. (c) Pre-clinical models to evaluate promising pediatric cancer therapies.
		285a-3.	National cancer research and demonstration centers. (a) Cooperative agreements and grants for establishing and supporting. (b) Uses for Federal payments under cooperative agreements or grants. (c) Period of support; additional periods.
		285a-4.	President's Cancer Panel; establishment, membership, etc., functions.
		285a-5.	Associate Director for Prevention; appointment; function.
		285a-6.	Breast and gynecological cancers. (a) Expansion and coordination of activities. (b) Coordination with other institutes. (c) Programs for breast cancer. (d) Other cancers. (e) Report.
		285a-7.	Prostate cancer. (a) Expansion and coordination of activities.

Sec.		Sec.	
	(b) Coordination with other institutes.		(c) Authorization of appropriations.
	(c) Programs.		285b-8. Authorization of appropriations.
285a-8.	Authorization of appropriations.		SUBPART 3—NATIONAL INSTITUTE OF DIABETES AND DIGESTIVE AND KIDNEY DISEASES
	(a) Activities generally.	285c.	Purpose of Institute.
	(b) Breast cancer and gynecological cancers.	285c-1.	Data systems and information clearinghouses.
	(c) Prostate cancer.		(a) National Diabetes Data System and National Diabetes Clearinghouse.
	(d) Allocation regarding cancer control.		(b) National Digestive Diseases Data System and National Digestive Diseases Information Clearinghouse.
285a-9.	Grants for education, prevention, and early detection of radiogenic cancers and diseases.		(c) National Kidney and Urologic Diseases Data System and National Kidney and Urologic Diseases Information Clearinghouse.
	(a) Definition.	285c-2.	Division Directors for Diabetes, Endocrinology, and Metabolic Diseases, Digestive Diseases and Nutrition, and Kidney, Urologic, and Hematologic Diseases; functions.
	(b) In general.	285c-3.	Interagency coordinating committees.
	(c) Indian Health Service.		(a) Establishment and purpose.
	(d) Grant and contract authority.		(b) Membership; chairman; meetings.
	(e) Health coverage unaffected.		(c) Annual report.
	(f) Report to Congress.	285c-4.	Advisory boards.
	(g) Authorization of appropriations.		(a) Establishment.
285a-10.	Research, information, and education with respect to blood cancer.		(b) Membership; ex officio members.
	(a) Joe Moakley Research Excellence Program.		(c) Compensation.
	(b) Geraldine Ferraro Cancer Education Program.		(d) Term of office; vacancy.
	SUBPART 2—NATIONAL HEART, LUNG, AND BLOOD INSTITUTE		(e) Chairman.
285b.	Purpose of Institute.		(f) Executive director; professional and clerical staff; administrative support services and facilities.
285b-1.	Heart, blood vessel, lung, and blood disease prevention and control programs.		(g) Meetings.
285b-2.	Information and education.		(h) Functions of National Diabetes Advisory Board and National Digestive Diseases Advisory Board.
285b-3.	National Heart, Blood Vessel, Lung, and Blood Diseases and Blood Resources Program; administrative provisions.		(i) Subcommittees; establishment and membership.
285b-4.	National research and demonstration centers.		(j) Termination of predecessor boards; time within which to appoint members.
	(a) Heart, blood vessel, lung, blood diseases, and blood resources; utilization of centers for prevention programs.	285c-5.	Research and training centers; development or expansion.
	(b) Sickle cell anemia.		(a) Diabetes mellitus and related endocrine and metabolic diseases.
	(c) Cooperative agreements and grants for establishing and supporting; uses for Federal payments; period of support, additional periods.		(b) Digestive diseases and related functional, congenital, metabolic disorders, and normal development of digestive tract.
285b-5.	Repealed.		(c) Kidney and urologic diseases.
285b-6.	Associate Director for Prevention; appointment; function.		(d) Nutritional disorders.
285b-7.	National Center on Sleep Disorders Research.		(e) Geographic distribution; period of support, additional periods.
	(a) Establishment.		Advisory council subcommittees.
	(b) Purpose.	285c-6.	Biennial report.
	(c) Sleep Disorders Research Advisory Board.	285c-7.	Nutritional disorders program.
	(d) Development of comprehensive research plan; revision.	285c-8.	(a) Establishment.
	(e) Collection and dissemination of information.		(b) Support of activities.
285b-7a.	Heart attack, stroke, and other cardiovascular diseases in women.		(c) Dissemination of information.
	(a) In general.	285c-9.	Juvenile diabetes.
	(b) Coordination with other institutes.		(a) Long-term epidemiology studies.
	(c) Certain programs.		(b) Clinical trial infrastructure/innovative treatments for juvenile diabetes.
	(d) Authorization of appropriations.		
285b-7b.	Coordination of Federal asthma activities.		
	(a) In general.		
	(b) Representation of the Department of Housing and Urban Development.		

Sec.		Sec.	
	(c) Prevention of type 1 diabetes. (d) Authorization of appropriations.		(c) Authorization of appropriations.
	SUBPART 4—NATIONAL INSTITUTE OF ARTHRITIS AND MUSCULOSKELETAL AND SKIN DISEASES		SUBPART 5—NATIONAL INSTITUTE ON AGING
285d.	Purpose of Institute.	285e.	Purpose of Institute.
285d-1.	National arthritis and musculoskeletal and skin diseases program. (a) Plan to expand, intensify, and coordinate activities; submission; periodic review and revision. (b) Coordination of activities with other national research institutes; minimum activities under program. (c) Program to be carried out in accordance with plan.	285e-1.	Special functions. (a) Education and training of adequate numbers of personnel. (b) Scientific studies. (c) Public information and education programs. (d) Grants for research relating to Alzheimer's Disease.
285d-2.	Research and training.	285e-2.	Alzheimer's Disease centers. (a) Cooperative agreements and grants for establishing and supporting. (b) Use of Federal payments under cooperative agreement or grant. (c) Support period; additional periods.
285d-3.	Data system and information clearinghouse.		Claude D. Pepper Older Americans Independence Centers. (a) Development and expansion of centers. (b) Functions of centers. (c) Geographic distribution of centers. (d) "Independence" defined.
285d-4.	Interagency coordinating committees. (a) Establishment and purpose. (b) Membership; chairman; meetings.	285e-3.	Awards for leadership and excellence in Alzheimer's disease and related dementias. (a) Senior researchers in biomedical research. (b) Eligible centers. (c) Required recommendation. (d) Selection procedures. (e) Term of award; renewal.
285d-5.	Arthritis and musculoskeletal diseases demonstration projects. (a) Grants for establishment and support. (b) Programs included. (c) Standardization of patient data and recordkeeping.	285e-4.	Research relevant to appropriate services for individuals with Alzheimer's disease and related dementias and their families. (a) Grants for research. (b) Preparation of plan; contents; revision. (c) Consultation for preparation and revision of plan. (d) Grants for promoting independence and preventing secondary disabilities. (e) "Council on Alzheimer's Disease" defined.
285d-6.	Multipurpose arthritis and musculoskeletal diseases centers. (a) Development, modernization, and operation. (b) Duties and functions. (c) Optional programs. (d) Geographical distribution. (e) Period of support; additional periods. (f) Treatment and rehabilitation of children.	285e-5.	Dissemination of research results. Clearinghouse on Alzheimer's Disease. (a) Establishment; purpose; duties; publication of summary. (b) Fee for information. (c) Summaries of research findings from other agencies.
285d-6a.	Lupus. (a) In general. (b) Coordination with other institutes. (c) Programs for lupus. (d) Authorization of appropriations.	285e-6.	Dissemination project. (a) Grant or contract for establishment. (b) Project activities. (c) Fees for information; exception. (d) Application for grant or contract; contents.
285d-7.	Advisory Board. (a) Establishment. (b) Membership; ex officio members. (c) Compensation. (d) Term of office; vacancy. (e) Chairman. (f) Executive director, professional and clerical staff; administrative support services and facilities. (g) Meetings. (h) Duties and functions. (i) Subcommittees; establishment and membership. (j) Annual report. (k) Termination of predecessor board; time within which to appoint members.	285e-7.	Alzheimer's disease registry. (a) In general. (b) Qualifications.
285d-8.	Juvenile arthritis and related conditions. (a) Expansion and coordination of activities. (b) Coordination.	285e-8.	Aging processes regarding women.
		285e-10.	Alzheimer's clinical research and training awards. (a) In general. (b) Support of promising clinicians.
		285e-10a.	

Sec.		Sec.	
	(c) Excellence in certain fields. (d) Authorization of appropriations.		(c) Authorized expenditures.
285e-11.	Authorization of appropriations.		SUBPART 10—NATIONAL INSTITUTE OF NEUROLOGICAL DISORDERS AND STROKE

PART B—FORMULA GRANTS WITH RESPECT TO MODIFICATIONS OF STATE PLANS		300d-33.	Repealed.
300d-11.	Establishment of program. (a) Requirement of allotments for States. (b) Purpose.	PART D—TRAUMA CENTERS OPERATING IN AREAS SEVERELY AFFECTED BY DRUG-RELATED VIOLENCE	
300d-12.	Requirement of matching funds for fiscal years subsequent to first fiscal year of payments. (a) Non-Federal contributions. (b) Determination of amount of non-Federal contribution.	300d-41.	Grants for certain trauma centers. (a) In general. (b) Minimum qualifications of centers.
300d-13.	Requirements with respect to carrying out purpose of allotments. (a) Trauma care modifications to State plan for emergency medical services. (b) Certain standards with respect to trauma care centers and systems. (c) Model trauma care plan. (d) Rule of construction with respect to number of designated trauma centers.	300d-42.	Preferences in making grants. (a) In general. (b) Further preference for certain applications.
300d-14.	Requirement of submission to Secretary of trauma plan and certain information. (a) Trauma plan. (b) Information received by State reporting and analysis system. (c) Availability of emergency medical services in rural areas.	300d-43.	Certain agreements. (a) Commitment regarding continued participation in trauma care system. (b) Maintenance of financial support. (c) Trauma care registry.
300d-15.	Restrictions on use of payments. (a) In general. (b) Exception.	300d-44.	General provisions. (a) Application. (b) Limitation on duration of support. (c) Limitation on amount of grant.
300d-16.	Requirement of reports by States. (a) In general. (b) Availability to public of reports. (c) Evaluations by Comptroller General.	300d-45.	Authorization of appropriations.
300d-17.	Requirement of submission of application containing certain agreements and assurances.	PART E—MISCELLANEOUS PROGRAMS	
300d-18.	Determination of amount of allotment. (a) Minimum allotment. (b) Determination under formula. (c) Disposition of certain funds appropriated for allotments.	300d-51.	Residency training programs in emergency medicine. (a) In general. (b) Identification and referral of domestic violence. (c) Authorization of appropriations.
		300d-52.	State grants for projects regarding traumatic brain injury. (a) In general. (b) State advisory board. (c) Matching funds. (d) Application for grant. (e) Continuation of previously awarded demonstration projects. (f) Use of State grants. (g) Coordination of activities. (h) Report.

Sec.		Sec.	
	(i) "Traumatic brain injury" defined.	300e-1.	Definitions.
	(j) Authorization of appropriations.	300e-2, 300e-3.	Repealed.
300d-53.	State grants for protection and advocacy services.	300e-4.	Loans and loan guarantees for initial operation costs.
	(a) In general.		(a) Authority.
	(b) Services provided.		(b) Limitations.
	(c) Application.		(c) Source of loan funds.
	(d) Appropriations less than \$2,700,000.		(d) Time limit on loans and loan guarantees.
	(e) Appropriations of \$2,700,000 or more.		(e) Repealed.
	(f) Carryover.	300e-4a.	(f) Medically underserved populations.
	(g) Direct payment.	300e-5.	Repealed.
	(h) Annual report.		Application requirements.
	(i) Authorization of appropriations.		(a) Submission to and approval by Secretary required for making loans and loan guarantees.
	(j) Definitions.		(b) Application contents.
PART F—INTERAGENCY PROGRAM FOR TRAUMA RESEARCH		300e-6.	(c) Regulations.
300d-61.	Establishment of Program.		Administration of assistance programs.
	(a) In general.		(a) Recordkeeping; audit and examination.
	(b) Plan for Program.		(b) Report upon expiration of period.
	(c) Participating agencies; coordination and collaboration.		(c) Repealed.
	(d) Certain activities of Program.	300e-7.	(d) Other entities considered health maintenance organizations.
	(e) Mechanisms of support.		General provisions relating to loan guarantees and loans.
	(f) Resources.		(a) Conditions.
	(g) Coordinating Committee.		(b) Application requirements.
	(h) Definitions.		(c) Sale of loans.
	(i) Authorization of appropriations.		(d) Loan guarantee fund.
			(e) Loan fund.
	PART G—POISON CONTROL		(f) Actions to protect interest of United States in event of default.
300d-71.	Maintenance of a national toll-free number.	300e-8.	Authorization of appropriations.
	(a) In general.	300e-9.	Employees' health benefits plans.
	(b) Rule of construction.		(a) Regulations; membership option.
	(c) Authorization of appropriations.		(b) Nondiscriminatory contributions for services; payroll deductions; effect on costs.
300d-72.	Nationwide media campaign to promote poison control center utilization.		(c) "Qualified health maintenance organization" defined.
	(a) In general.		(d) Civil penalty; notice and presentation of views; review.
	(b) Contract with entity.		(e) "Employer" defined.
	(c) Evaluation.		(f) Termination of payment for failure to comply.
	(d) Authorization of appropriations.		Restrictive State laws and practices.
300d-73.	Maintenance of the poison control center grant program.	300e-10.	(a) Entities operating as health maintenance organizations.
	(a) Regional poison control centers.		(b) Advertising.
	(b) Other improvements.		(c) Digest of State laws, regulations, and practices; legal consultative assistance.
	(c) Certification.		Continued regulation of health maintenance organizations.
	(d) Waiver of certification requirements.	300e-11.	(a) Determination of deficiency.
	(e) Supplement not supplant.		(b) Action by Secretary upon determination.
	(f) Maintenance of effort.		Limitation on source of funding for health maintenance organizations.
	(g) Matching requirement.		Repealed.
	(h) Authorization of appropriations.		Annual report.
300d-74.	Rule of construction.	300e-14a.	Health services for Indians and domestic agricultural migratory and seasonal workers.
SUBCHAPTER XI—HEALTH MAINTENANCE ORGANIZATIONS		300e-15.	Repealed.
300e.	Requirements of health maintenance organizations.	300e-16.	Training and technical assistance.
	(a) "Health maintenance organization" defined.		(a) National Health Maintenance Organization Intern Program.
	(b) Manner of supplying basic and supplemental health services to members.		(b) Technical assistance.
	(c) Organizational requirements.		
	(d) Application of rules by certain health maintenance organizations.		

Sec.		Sec.
	(c) Amounts provided in advance in appropriation acts. 300e-17. Financial disclosure. (a) Financial information reported to Secretary. (b) "Party in interest" defined. (c) Information availability. (d) Evaluation of transactions. (e) Repealed. (f) Rates. (g) Annual financial statement. (h) Penalties.	(a) Characteristics of raw water sources; specific treatment technique; notice to Administrator, reasons for variance; compliance, enforcement; approval or revision of schedules and revocation of variances; review of variances and schedules; publication in Federal Register, notice and results of review; notice to State; considerations respecting abuse of discretion in granting variances or failing to prescribe schedules; State corrective action; authority of Administrator in a State without primary enforcement responsibility; alternative treatment techniques.
	SUBCHAPTER XII—SAFETY OF PUBLIC WATER SYSTEMS	
	PART A—DEFINITIONS	
300f.	Definitions.	
	PART B—PUBLIC WATER SYSTEMS	
300g.	Coverage.	
300g-1.	National drinking water regulations. (a) National primary drinking water regulations; maximum contaminant level goals; simultaneous publication of regulations and goals. (b) Standards. (c) Secondary regulations; publication of proposed regulations; promulgation; amendments. (d) Regulations; public hearings; administrative consultations. (e) Science Advisory Board comments.	(b) Enforcement of schedule or other requirement. (c) Applications for variances; regulations; reasonable time for acting. (d) "Treatment technique requirement" defined. (e) Small system variances.
	300g-5. Exemptions.	
	(a) Requisite findings. (b) Compliance schedule and implementation of control measures; notice and hearing; dates for compliance with schedule; compliance, enforcement; approval or revision of schedules and revocation of exemptions. (c) Notice to Administrator; reasons for exemption. (d) Review of exemptions and schedules; publication in Federal Register, notice and results of review; notice to State; considerations respecting abuse of discretion in granting exemptions or failing to prescribe schedules; State corrective action.	
300g-2.	State primary enforcement responsibility. (a) In general. (b) Regulations. (c) Interim primary enforcement authority.	
300g-3.	Enforcement of drinking water regulations. (a) Notice to State and public water system; issuance of administrative order; civil action. (b) Judicial determinations in appropriate Federal district courts; civil penalties; separate violations. (c) Notice to persons served. (d) Notice of noncompliance with secondary drinking water regulations. (e) State authority to adopt or enforce laws or regulations respecting drinking water regulations or public water systems unaffected. (f) Notice and public hearing; availability of recommendations transmitted to State and public water system. (g) Administrative order requiring compliance; notice and hearing; civil penalty; civil actions. (h) Consolidation incentive. (i) "Applicable requirement" defined.	(e) Small system variances. (a) Requisite findings. (b) Compliance schedule and implementation of control measures; notice and hearing; dates for compliance with schedule; compliance, enforcement; approval or revision of schedules and revocation of exemptions. (c) Notice to Administrator; reasons for exemption. (d) Review of exemptions and schedules; publication in Federal Register, notice and results of review; notice to State; considerations respecting abuse of discretion in granting exemptions or failing to prescribe schedules; State corrective action. (e) "Treatment technique requirement" defined. (f) Authority of Administrator in a State without primary enforcement responsibility. (g) Applications for exemptions; regulations; reasonable time for acting.
	300g-6.	Prohibition on use of lead pipes, solder, and flux. (a) In general. (b) State enforcement. (c) Penalties. (d) "Lead free" defined. (e) Plumbing fittings and fixtures.
	300g-7.	Monitoring of contaminants. (a) Interim monitoring relief authority. (b) Permanent monitoring relief authority. (c) Treatment as NPDWR. (d) Other monitoring relief.
	300g-8.	Operator certification. (a) Guidelines. (b) State programs. (c) Existing programs. (d) Expense reimbursement.
300g-4.	Variances.	

Sec. 300g-9.	Capacity development. (a) State authority for new systems. (b) Systems in significant non-compliance. (c) Capacity development strategy. (d) Federal assistance. (e) Variances and exemptions. (f) Small public water systems technology assistance centers. (g) Environmental finance centers.	Sec.	(e) Areas with one aquifer; publication in Federal Register; commitments for Federal financial assistance.
		300h-4.	Optional demonstration by States relating to oil or natural gas. (a) Approval of State underground injection control program; alternative showing of effectiveness of program by State. (b) Revision or amendment of requirements of regulation; showing of effectiveness of program by State. (c) Primary enforcement responsibility of State; voiding by Administrator under duly promulgated rule.
PART C—PROTECTION OF UNDERGROUND SOURCES OF DRINKING WATER			
300h.	Regulations for State programs. (a) Publication of proposed regulations; promulgation; amendments; public hearings; administrative consultations. (b) Minimum requirements; restrictions. (c) Temporary permits; notice and hearing. (d) “Underground injection” defined; underground injection endangerment of drinking water sources.	300h-5. 300h-6.	Regulation of State programs. Sole source aquifer demonstration program. (a) Purpose. (b) “Critical aquifer protection area” defined. (c) Application. (d) Criteria. (e) Contents of application. (f) Comprehensive plan. (g) Plans under section 208 of Clean Water Act. (h) Consultation and hearings. (i) Approval or disapproval. (j) Grants and reimbursement. (k) Activities funded under other law. (l) Savings provision. (m) Authorization of appropriations.
300h-1.	State primary enforcement responsibility. (a) List of States in need of a control program; amendment of list. (b) State applications; notice to Administrator of compliance with revised or added requirements; approval or disapproval by Administrator; duration of State primary enforcement responsibility; public hearing. (c) Program by Administrator for State without primary enforcement responsibility; restrictions. (d) “Applicable underground injection control program” defined. (e) Primary enforcement responsibility by Indian Tribe.	300h-7.	State programs to establish wellhead protection areas. (a) State programs. (b) Public participation. (c) Disapproval. (d) Federal assistance. (e) “Wellhead protection area” defined. (f) Prohibitions. (g) Implementation. (h) Federal agencies. (i) Additional requirement. (j) Coordination with other laws. (k) Authorization of appropriations.
300h-2.	Enforcement of program. (a) Notice to State and violator; issuance of administrative order; civil action. (b) Civil and criminal actions. (c) Administrative orders. (d) State authority to adopt or enforce laws or regulations respecting underground injection unaffected.	300h-8.	State ground water protection grants. (a) In general. (b) Guidance. (c) Conditions of grants. (d) Amount of grants. (e) Evaluations and reports. (f) Authorization of appropriations.
300h-3.	Interim regulation of underground injections. (a) Necessity for well operation permit; designation of one aquifer areas. (b) Well operation permits; publication in Federal Register; notice and hearing; issuance or denial; conditions for issuance. (c) Civil penalties; separate violations; penalties for willful violations; temporary restraining order or injunction. (d) “New underground injection well” defined.	300i. 300i-1.	PART D—EMERGENCY POWERS Emergency powers. (a) Actions authorized against imminent and substantial endangerment to health. (b) Penalties for violations; separate offenses. Tampering with public water systems. (a) Tampering. (b) Attempt or threat. (c) Civil penalty. (d) “Tamper” defined.

Sec.		Sec.	
300i-2.	Terrorist and other intentional acts. (a) Vulnerability assessments. (b) Emergency response plan. (c) Record maintenance. (d) Guidance to small public water systems. (e) Funding.	300j-3a.	(d) Loan guarantees to public water systems; conditions; indebtedness limitation; regulations. Grants to public sector agencies. (a) Assistance for development and demonstration projects. (b) Limitations. (c) Authorization of appropriations.
300i-3.	Contaminant prevention, detection and response. (a) In general. (b) Funding.	300j-3b.	Contaminant standards or treatment technique guidelines.
300i-4.	Supply disruption prevention, detection and response. (a) Disruption of supply or safety. (b) Alternative sources. (c) Requirements and considerations. (d) Information sharing. (e) Funding.	300j-3c.	National assistance program for water infrastructure and watersheds. (a) Technical and financial assistance. (b) Limitation. (c) Condition. (d) Authorization of appropriations. (e) Acquisition of lands. (f) Federal share. (g) Definitions.
PART E—GENERAL PROVISIONS		300j-4.	Records and inspections. (a) Provision of information to Administrator; monitoring program for unregulated contaminants. (b) Entry of establishments, facilities, or other property; inspections; conduct of certain tests; audit and examination of records; entry restrictions; prohibition against informing of a proposed entry. (c) Penalty. (d) Confidential information; trade secrets and secret processes; information disclosure; “information required under this section” defined. (e) “Grantee” and “person” defined. (f) Information regarding drinking water coolers. (g) Occurrence data base. (h) Availability of information on small system technologies. (i) Screening methods.
300j.	Assurances of availability of adequate supplies of chemicals necessary for treatment of water. (a) Certification of need application. (b) Application requirements; publication in Federal Register; waiver; certification, issuance or denial. (c) Certification of need; issuance; executive orders; implementation of orders; equitable apportionment of orders; factors considered. (d) Breach of contracts; defense. (e) Penalties for noncompliance with orders; temporary restraining orders and preliminary or permanent injunctions. (f) Termination date.	300j-5.	National Drinking Water Advisory Council. (a) Establishment; membership; representation of interests; term of office, vacancies; reappointment. (b) Functions. (c) Compensation and allowances; travel expenses. (d) Advisory committee termination provision inapplicable.
300j-1.	Research, technical assistance, information, training of personnel. (a) Specific powers and duties of Administrator. (b) Emergency situations. (c) Establishment of training programs and grants for training; training fees. (d) Authorization of appropriations. (e) Technical assistance.	300j-6.	Federal agencies. (a) In general. (b) Administrative penalty orders. (c) Limitation on State use of funds collected from Federal Government. (d) Indian rights and sovereignty as unaffected; “Federal agency” defined. (e) Washington Aqueduct.
300j-2.	Grants for State programs. (a) Public water systems supervision programs; applications for grants; allotment of sums; waiver of grant restrictions; notice of approval or disapproval of application; authorization of appropriations. (b) Underground water source protection programs; applications for grants; allotment of sums; authorization of appropriations. (c) Definitions. (d) New York City watershed protection program.	300j-7.	Judicial review. (a) Courts of appeals; petition for review; actions respecting regulations; filing period; grounds arising after expiration of filing period; exclusiveness of remedy.
300j-3.	Special project grants and guaranteed loans. (a) Special study and demonstration project grants. (b) Limitations. (c) Authorization of appropriations.		

Sec.		Sec.	
	(b) District courts; petition for review: actions respecting variances or exemptions; filing period; grounds arising after expiration of filing period; exclusiveness of remedy.		(e) State contribution.
	(c) Judicial order for additional evidence before Administrator; modified or new findings; recommendation for modification or setting aside of original determination.		(f) Types of assistance.
300j-8.	Citizen's civil action.		(g) Administration of State loan funds.
	(a) Persons subject to civil action; jurisdiction of enforcement proceedings.		(h) Needs survey.
	(b) Conditions for commencement of civil action; notice.		(i) Indian Tribes.
	(c) Intervention of right.		(j) Other areas.
	(d) Costs; attorney fees; expert witness fees; filing of bond.		(k) Other authorized activities.
	(e) Availability of other relief.		(l) Savings.
300j-9.	General provisions.		(m) Authorization of appropriations.
	(a) Regulations; delegation of functions.		(n) Health effects studies.
	(b) Utilization of officers and employees of Federal agencies.	300j-13.	(o) Monitoring for unregulated contaminants.
	(c) Assignment of Agency personnel to State or interstate agencies.		(p) Demonstration project for State of Virginia.
	(d) Payments of grants; adjustments; advances; reimbursement; installments; conditions; eligibility for grants; "nonprofit agency or institution" defined.	300j-14.	(q) Small system technical assistance.
	(e) Labor standards.		(r) Evaluation.
	(f) Appearance and representation of Administrator through Attorney General or attorney appointees.		Source water quality assessment.
	(g) Authority of Administrator under other provisions unaffected.		(a) Source water assessment.
	(h) Reports to Congressional committees; review by Office of Management and Budget; submittal of comments to Congressional committees.		(b) Approval and disapproval.
	(i) Discrimination prohibition; filing of complaint; investigation; orders of Secretary; notice and hearing; settlements; attorneys' fees; judicial review; filing of petition; procedural requirements; stay of orders; exclusiveness of remedy; civil actions for enforcement of orders; appropriate relief; mandamus proceedings; prohibition inapplicable to undirected but deliberate violations.	300j-15.	Source water petition program.
300j-10.	Appointment of scientific, etc., personnel by Administrator of Environmental Protection Agency for implementation of responsibilities; compensation.		(a) Petition program.
300j-11.	Indian Tribes.		(b) Approval or disapproval of petitions.
	(a) In general.		(c) Grants to support State programs.
	(b) EPA regulations.		(d) Guidance.
300j-12.	State revolving loan funds.		(e) Authorization of appropriations.
	(a) General authority.		(f) Statutory construction.
	(b) Intended use plans.	300j-16.	Water conservation plan.
	(c) Fund management.		(a) Guidelines.
	(d) Assistance for disadvantaged communities.		(b) Loans or grants.
			(a) Definitions.
			(b) Grants to alleviate health risks.
			(c) Use of funds.
			(d) Cost sharing.
			(e) Authorization of appropriations.
		300j-17.	Estrogenic substances screening program.
		300j-18.	Drinking water studies.
			(a) Subpopulations at greater risk.
			(b) Biological mechanisms.
			(c) Studies on harmful substances in drinking water.
			(d) Waterborne disease occurrence study.
		PART F—ADDITIONAL REQUIREMENTS TO REGULATE SAFETY OF DRINKING WATER	
		300j-21.	Definitions.
		300j-22.	Recall of drinking water coolers with lead-lined tanks.
		300j-23.	Drinking water coolers containing lead.
			(a) Publication of lists.
			(b) Prohibition.
			(c) Criminal penalty.
			(d) Civil penalty.
		300j-24.	Lead contamination in school drinking water.
			(a) Distribution of drinking water cooler list.
			(b) Guidance document and testing protocol.
			(c) Dissemination to schools, etc.
			(d) Remedial action program.
		300j-25.	Federal assistance for State programs regarding lead contamination in school drinking water.
			(a) School drinking water programs.

Sec.		Sec.	
	(b) Limits.		PART A—LOANS AND LOAN GUARANTEES
	(c) Authorization of appropriations.	300q.	Loan and loan guarantee authority.
300j-26.	Certification of testing laboratories.		(a) Covered projects; duration; payment of principal and interest on loans for covered projects; duration; payments for reduction of interest rate.
SUBCHAPTER XIII—PREVENTIVE HEALTH MEASURES WITH RESPECT TO BREAST AND CERVICAL CANCERS			(b) Amount of loans for medical facilities projects and such projects in urban or rural poverty areas.
300k.	Establishment of program of grants to States.		(c) Limitation on cumulative total of principal of outstanding loans.
	(a) In general.		(d) Administrative assistance of Department of Housing and Urban Development.
	(b) Grant and contract authority of States.		
	(c) Special consideration for certain States.		
	(d) Coordinating committee regarding year 2000 health objectives.		
300l.	Requirement of matching funds.	300q-1.	Repealed.
	(a) In general.	300q-2.	General provisions.
	(b) Determination of amount of non-Federal contribution.		(a) Loan guarantees; criteria for approval; recovery of payments by United States; modification, etc., of terms and conditions; incontestability.
300l-1.	Requirement regarding medicaid.		(b) Loans; criteria for approval; terms and conditions; waiver of recovery of payments by United States.
300m.	Requirements with respect to type and quality of services.		(c) Sale of loans; authority; amount; agreements with purchasers; deposit of proceeds.
	(a) Requirement of provision of all services by date certain.		(d) Loan and loan guarantee fund; establishment; amounts authorized to be appropriated; issuance, purchase, and sale of notes, obligations, etc.; interest rates; public debt transactions.
	(b) Use of improved screening procedures.		(e) Transfers to and additional capitalization of loan and loan guarantee fund.
	(c) Quality assurance regarding screening procedures.		(f) Default prevention measures; terms and conditions; implementation of reforms; foreclosures; protection of Federal interest on default.
300n.	Additional required agreements.		
	(a) Priority for low-income women.		PART B—PROJECT GRANTS
	(b) Limitation on imposition of fees for services.		300r.
	(c) Statewide provision of services.		Grants for construction or modernization projects.
	(d) Relationship to items and services under other programs.		(a) Authority; objectives; eligible grantees; maximum amounts; authorization of appropriations; availability of unobligated funds.
	(e) Coordination with other breast and cervical cancer programs.		(b) Projects for medically underserved populations; eligible grantees; maximum amounts; authorization of appropriations.
	(f) Limitation on administrative expenses.		
	(g) Restrictions on use of grant.		
	(h) Records and audits.		
	(i) Reports to Secretary.		
300n-1.	Description of intended uses of grant.		
300n-2.	Requirement of submission of application.		
300n-3.	Technical assistance and provision of supplies and services in lieu of grant funds.		
	(a) Technical assistance.		
	(b) Provision of supplies and services in lieu of grant funds.		
300n-4.	Evaluations and reports.		
	(a) Evaluations.		
	(b) Report to Congress.		
300n-4a.	Supplemental grants for additional preventive health services.		
	(a) Demonstration projects.		
	(b) Status as participant in program regarding breast and cervical cancer.		
	(c) Applicability of provisions of general program.	300s.	General regulations.
	(d) Funding.	300s-1.	Medical facility project applications.
300n-5.	Funding for general program.		(a) Submissions.
	(a) Authorization of appropriations.		(b) Form; required provisions; waiver; projects subject to requirements.
	(b) Set-aside for technical assistance and provision of supplies and services.	300s-1a.	Recovery of expenditures under certain conditions.
			(a) Persons liable.
			(b) Notice to Secretary.
			(c) Amount of recovery; interest; interest period.
			(d) Waiver.
SUBCHAPTER XIV—HEALTH RESOURCES DEVELOPMENT			
300o to 300p-3.	Repealed.		

Sec.		Sec.	
	(e) Lien.		(c) Application; submission and approval as prerequisite; form and content.
300s-2.	State supervision or control of operations of facilities receiving funds.	300u-1.	Grants and contracts for research programs; authority of Secretary; review of applications; additional functions; periodic public survey.
300s-3.	Definitions.	300u-2.	Grants and contracts for community health programs.
300s-4.	Reporting and audit requirements for recipients.		(a) Authority of Secretary; particular activities.
	(a) Filing of financial statement with appropriate State Agency; form and contents.		(b) Grants to States and other public and nonprofit private entities; costs of demonstrating and evaluating programs; development of models.
	(b) Maintenance of records; access to books, etc., for audit and examination.		(c) Private nonprofit entities; limitation on amount of grant or contract.
	(c) Filing of financial statement with Secretary; form and contents.	300u-3.	Grants and contracts for information programs; authority of Secretary; particular activities.
300s-5.	Availability of technical and other non-financial assistance to eligible applicants.	300u-4.	Status reports to President and Congress; study of health education and preventive health services with respect to insurance coverage.
300s-6.	Enforcement of assurances.	300u-5.	Centers for research and demonstration of health promotion and disease prevention.
PART D—AREA HEALTH SERVICES DEVELOPMENT FUNDS			(a) Establishment; grants; contracts; research and demonstration projects.
300t.	Development grants for health systems agencies.		(b) Location; types of research and projects.
	(a) Eligible recipients; purpose of grants.		(c) Equitable geographic distribution of centers; procedures.
	(b) Determination of amounts; maximum amounts.		(d) "Academic health center" defined.
	(c) Applications; submission and approval as prerequisite; form and contents.		(e) Authorization of appropriations.
	(d) Authorization of appropriations.	300u-6.	Office of Minority Health.
PART E—PROGRAM TO ASSIST AND ENCOURAGE VOLUNTARY DISCONTINUANCE OF UNNEEDED HOSPITAL SERVICES AND CONVERSION OF UNNEEDED HOSPITAL SERVICES TO OTHER HEALTH SERVICES NEEDED BY COMMUNITY			(a) In general.
300t-11.	Grants and assistance for establishment of program.		(b) Duties.
300t-12.	Grants for discontinuance and conversion.		(c) Advisory Committee.
	(a) Terms and conditions; determination of amount; authorized uses.		(d) Certain requirements regarding duties.
	(b) Application; submission and approval; form; required provisions; review by health systems agency; basis of State Agency's recommendations; urban or rural poverty population considerations; approval by Secretary; restrictions and special considerations.		(e) Grants and contracts regarding duties.
	(c) Certification of protective arrangements for employment benefits and interests; guidelines; satisfactory arrangement determinations.	300u-7.	Office of Adolescent Health.
	(d) Records and audits requirements.		(a) In general.
	(e) "Hospital" defined.		(b) Duties.
300t-13.	Grants to States for reduction of excess hospital capacity.		(c) Certain demonstration projects.
	(a) "Excess hospital capacity" defined; particular activities.		(d) Information clearinghouse.
	(b) Terms and conditions.		(e) National plan.
300t-14.	Authorization of appropriations.		(f) Adolescent health.
SUBCHAPTER XV—HEALTH INFORMATION AND HEALTH PROMOTION		300u-8.	Biennial report regarding nutrition and health.
300u.	General authority of Secretary.		(a) Biennial report.
	(a) Development, support, and implementation of programs, activities, etc.	300u-9.	Education regarding DES.
	(b) Authorization of appropriations.		(a) In general.
			(b) Authorization of appropriations.
		SUBCHAPTER XVI—PRESIDENT'S COMMISSION FOR THE STUDY OF ETHICAL PROBLEMS IN MEDICINE AND BIOMEDICAL AND BEHAVIOR RESEARCH	
		300v.	Commission.
			(a) Establishment; composition; appointment of members; vacancies.
			(b) Terms of members.

Sec.		Sec.	
	(c) Chairman.	300w-6.	Withholding of funds.
	(d) Meetings.		(a) Prerequisites.
	(e) Compensation; travel expenses, etc.		(b) Investigations.
300v-1.	Duties of Commission.		(c) Availability of books, documents, papers, and records.
	(a) Studies and investigations; priority and order; report to President and Congress.		(d) Information not readily available.
	(b) Recommendations to agencies; subsequent administrative requirements.	300w-7.	Nondiscrimination provisions.
